

**FALL 2016**  
**Non-Major Advisor**  
**To Determine**  
**Course Equivalency**  
For Non-U.C. Berkeley Mathematics Courses

Course equivalency is determined only while classes are in Session and regular office hours held—not during exams or winter break. Additionally, **course materials and transcripts must be presented in person and not by mail or email.**

**When meeting with faculty to determine course equivalency, bring:**

- 1) A detailed **syllabus/course outline** showing which sections of the book were covered.
- 2) The **textbook**, or at least the table of contents for the book
- 3) A **course equivalency form** (your major or college may have a form or you can the Math Department form available outside 964 Evans)

Course Outlines for Berkeley's Math 1A, 1B, 16A, 16B, 53, 54, and 55 are posted at:  
<http://math.berkeley.edu/courses/choosing/lowerdivcourses>

You can review and compare topics and hours of lecture per topic with the course you have completed in preparation for meeting the equivalency advisor during the office hours listed below.
